

Stamptead Febr. 13.

Dear Friend,

P.S. If you will be so kind as to write this to your Friend you will do me a very great favour, and shall allways be thankfull for it

Your Sincere Friend
and Servant

J. Fischer

P.S.

Mr. Fischer should be very glad to get some sound ripe cane for Hautboy reeds, the older and harder the better, cut in such a small pieces as the pattern is marked here

one of the Hautboists who plays the Hautboy and makes the Reeds himself is the most proper person to choose the cane — and the more of it the better
